par [allomamandodo.com](http://allomamandodo.com)

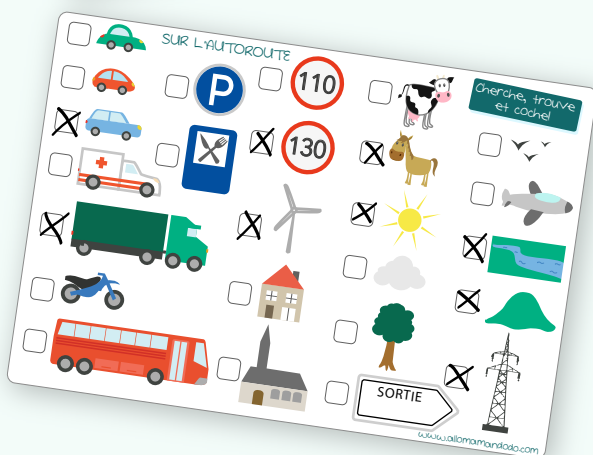

Avant de jouer:

POUR JOUER SEUL:

Un adulte découpe une grille et te donne un crayon.

POUR JOUER A DEUX:

Un adulte découpe deux grilles identiques et donne un crayon à chaque joueur.

Règle du jeu:

POUR JOUER SEUL:

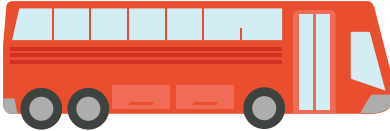

Au début de la partie, retourne ta grille et doit trouver les éléments dessinés le plus rapidement possible. L'adulte peut chronométrer ta partie.

POUR JOUER A DEUX:

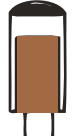

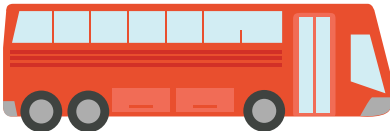

Au début de la partie, chaque joueur retourne sa grille et doit trouver les éléments dessinés le plus rapidement possible. Lorsqu'il a tout rempli, il gagne! Attention à ne pas tricher!

Autre façon de jouer: Dès qu'un joueur trouve un élément, il le montre l'autre, celui qui a trouvé coche, celui qui n'a pas trouvé raye.
